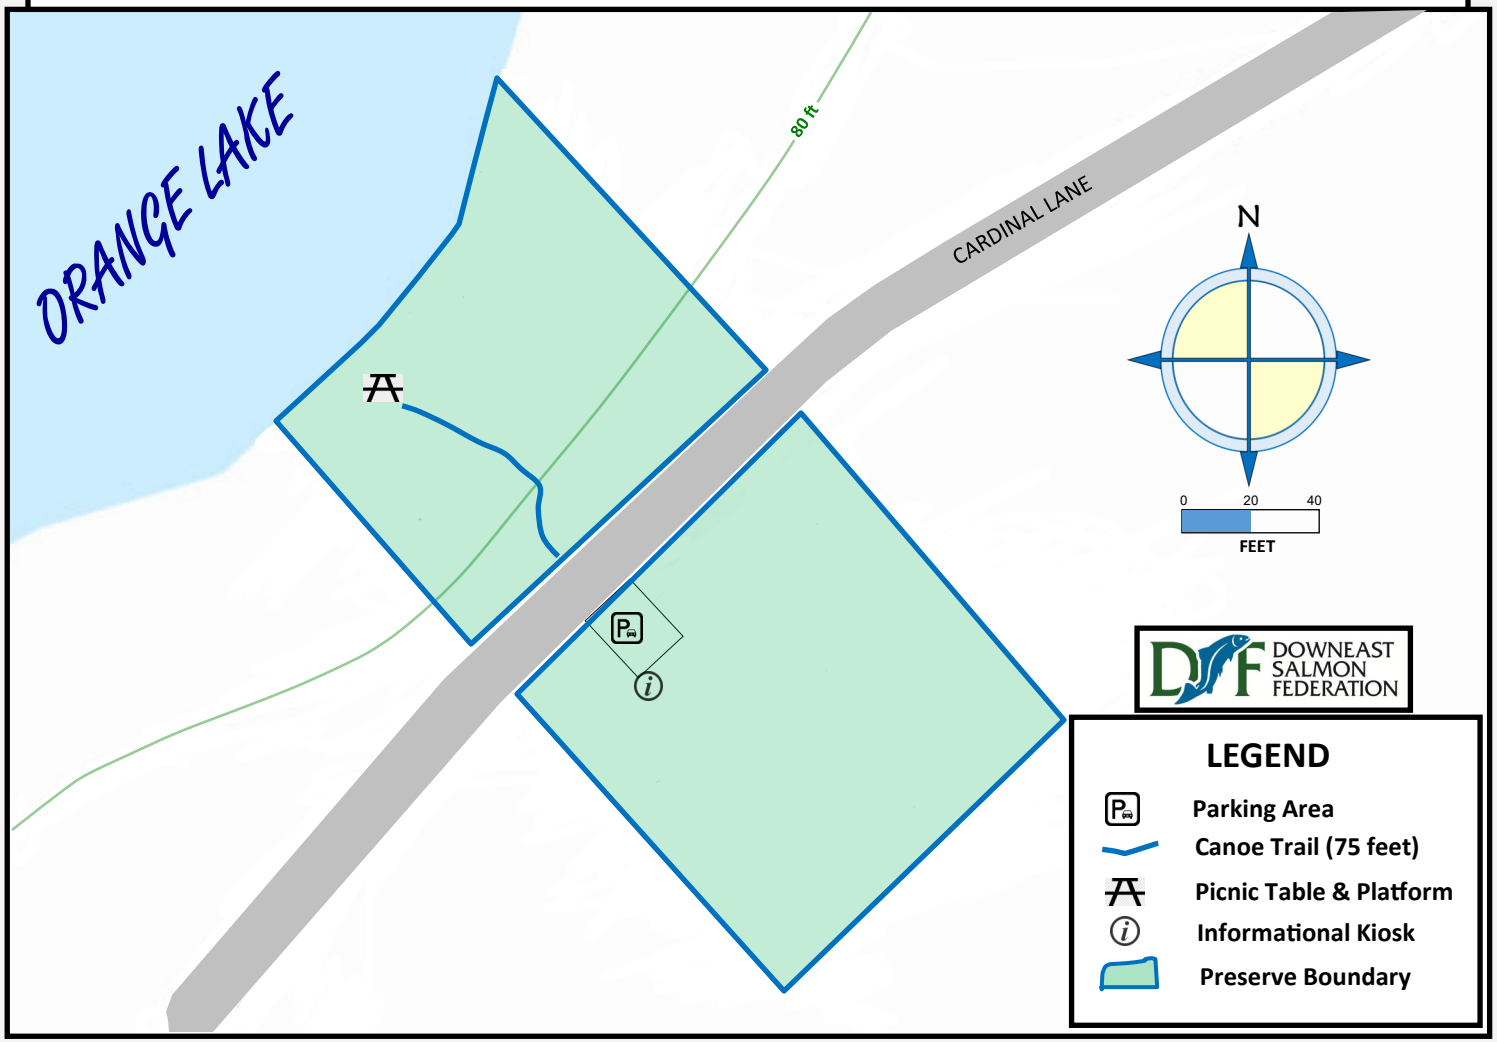
ORANGE LAKE PRESERVE

DAY USE AREA



DIRECTIONS: From Route 1 in Whiting: The Orange Lake Road access to the DSF Orange Lake Preserve is located approximately 4 miles south of the Lubec Road (Rte 89) in Whiting. Turn onto Orange Lake Road and travel approximately 0.7 mile and then turn left onto Cardinal Lane. Travel about 650 feet, and DSF Orange Lake/Firefly Camp sign will be on the right and the parking area (1-2 cars) and informational kiosk are located on the left about 30 feet past the preserve sign. The Orange Lake Preserve is small, and has been designated as a day-use only area and canoe/kayak launch. There is a small platform and a picnic table near the lake shore, and there are no sanitary facilities available. Please do not block Cardinal Lane, as it is a shared access road for residents and other lake users. Users of this preserve must follow the **"Pack it in. Pack it out."** rule to keep the preserve as pristine and natural as possible.
